Location and Coordinates:

Beniah Lake:

Long sandy beach on south-western bay of Beniah Lake
75 nautical miles from YZF
031° radial from YZF
Latitude: 63.30619
Longitude: -112.24538

Enroute Frequency and Reporting:

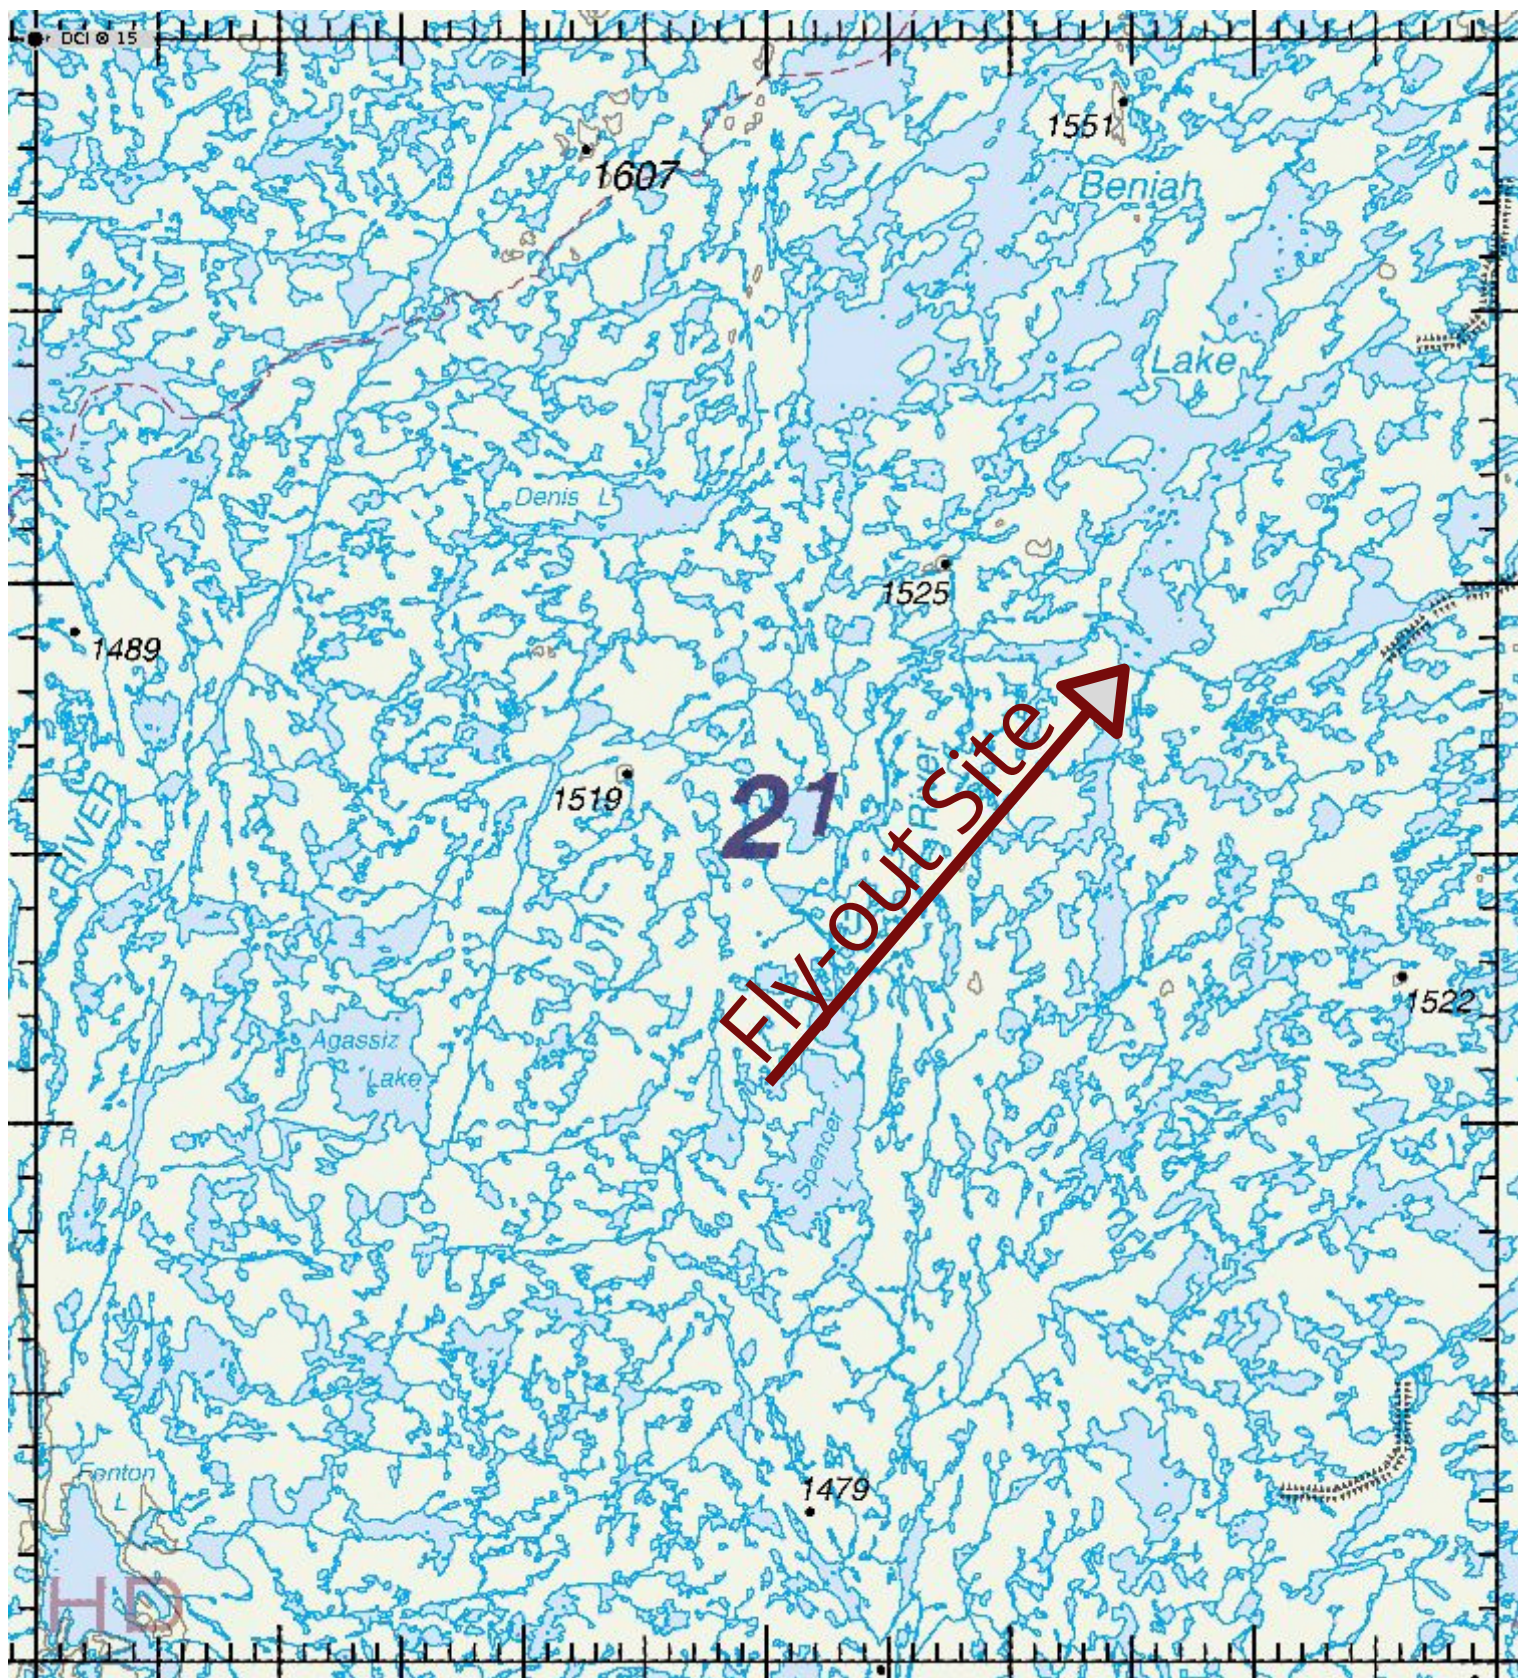

CYZF Tower (118.5) - Until cleared by ATC at approximately 5NM out from YZF
Enroute (126.7) - Report at 5NM back from Beniah Lake stating intention for landing

Landing and Beaching at Beniah Lake:

- See attached map and satellite image for assistance in locating the fly-out site as Beniah Lake has many bays and beaches and can be confusing
- Lake bottom is sandy with good water depth to the beach
- Site is near the treeline so options for tying off are limited
