## Location and Coordinates:

### Chedabucto Lake (Brezinski Cabin):

White sand beach on northeast shore of Chedabucto Lake  
 30 nautical miles from YZF  
 Latitude: 62.39866 N  
 Longitude: -115.47382 W

## Landing at Chedabucto Lake:

- See attached satellite image and map for assistance in locating cabin
- Announce pending arrival at Chedabucto Lake on 126.7 when 3 NM back
- Land some distance from shore due to very gradual slope of water depth to shore
- Lake bottom is sandy and water depth is satisfactory to taxi to beach

## Beaching/Parking at Chedabucto Lake:

- Ample floatplane parking is available along the beach
- Taxi toward the cabin area for parking on the beach to the right of the cabin area
- Turning your aircraft to park with the nose facing the lake is recommended
- Bring your own ropes for tying off your aircraft

## Activities:

- Shallow water is warm and suitable for swimming
- Kayaks are available for paddling along the shore
- Sandy lake is perfect for a game of water frisbee
- Firepit area and deck for relaxing and socializing
