

2023 Rust Remover/Recurrent Pilot Training

Presented by COPA Flight 108 (Northwest Territories Flying Association)

Date: Saturday, May 13, 2023

Time: 8:45 am to 4:30 pm

Location: St. Patrick's Hall, 5206-52 Street, Yellowknife

Registration: Online registration required

Refreshments: Coffee/muffins and lunch provided

Cost (Members): Free

Cost (Non-Members): \$40

Recurrent Training:

The Rust Remover serves as a refresher on topics relevant to training for private and recreational pilots. The program is designed to be of value to all pilots whether flying on wheels, floats or skis. The agenda will be sanctioned by Transport Canada as satisfying the 2-year recurrent training requirement for private pilots. Attendance may qualify for a discount on aviation insurance.

Presentations:

NWTFA is excited to incorporate SmartPilot seminars into the 2023 Rust Remover. The following SmartPilot seminars will be presented by Mike Doiron of Cirrus Aviation Safety Services:

- SAR Awareness
- Ups and Downs

This exceptional training opportunity is made possible through the success of fundraising efforts undertaken by NWTFA in 2022.

Registration:

Advance online registration is required. Visit the NWTFA website at www.flyingnwt.com for membership and registration links.
