

## **ANNUAL GENERAL MEETING AND BBQ/POTLUCK**

Members of the Northwest Territories Flying Association and their family/guests are invited to the 2024 Annual General Meeting and BBQ/Potluck:

**Tuesday, July 3, 2024 (Weather Permitting)  
Anderson Thomson Tower - Outdoor Deck  
Yellowknife, NT  
5:30 PM to 7:30 PM**

**Burgers, smokies and water/juice provided by NWTFFA  
Bring a salad, snack or dessert for the Potluck**

**RSVP by July 1, 2024**

General aviation in the Northwest Territories is currently facing both challenges and opportunities with transformation on the horizon for the Yellowknife airport, pending regulatory changes affecting private aircraft owners, changes in local services and amenities, and increasing numbers of local and visiting pilots/aircraft. NWTFFA needs to maintain a strong voice to represent and grow general aviation. A strong, dedicated board is critical at this time and your participation is both welcome and encouraged.

The AGM will follow the BBQ/Potluck and will include reports from the president and treasurer, year-end financial statements, and election of board members. The positions of Vice-President, Treasurer and Director-at-Large are due for election for 2-year terms. The position of Secretary is due for election for a 1-year term. If you're interested in joining the board, feel free to reach out to Kevin Brezinski at 867-920-7606 or [kevinb@theedge.ca](mailto:kevinb@theedge.ca) to learn more about the various roles.

This event will be held on the outdoor deck at Anderson Thomson Tower. Parking is available against the brown wooden fence on the east side of the building, in 4 spots outside the office on the west side, or along 49th Street. The deck is accessed from the end of the hall on the 3rd floor. The buzzer code to enter the building through the front entrance is 01833.
